# BACHELOR OF ECONOMICS AND FINANCE (HONS)

KPTIJPS(PA4657)02!20

## PROGRAMME DESCRIPTION

The Bachelor of Economics (Hons) programme is designed to equip student with a thorough understanding of financial accounting and economics. Finance is taught as an application of Economics. This course is organized in terms of modules that emphasize both theory and relevant applications. The program offers a systematic exposure to tools with which the students can analyse financial markets, cost accounting and corporate financial strategic management. The curriculum for the Bachelor of Economics and Finance has a mechanism built into it that requires the students to continue learning, gathering new information, and make use of the information to improve upon the technologies. It also helps students to broaden the sphere of technology applications, developing novel means of improving the financial condition, contributing to sustainable economy, to make new inventions for the betterment of the society and to utilize the learning to bring prosperity to the masses. On completion of the program, graduates will have an understanding of fundamental issues, debates and problems related to the operations of financial systems at both the micro and macro levels, in the context of national and global economies. They will be ready for a career in various accounting, finance and banking professions.

## PROGRAMME AIM

The program would provide a broad and flexible educational preparation for a range of professional, business-related careers in private and public enterprise and build skills and knowledge for a career in areas such as economics and financial services, funds management, treasury and financial markets, etc

To provide students with a solid understanding of management theories allowing the application of various models to real world decision-making in a global context.

To produce marketable graduates that clearly understand professional function, regulations and procedures.

To train the students to solve complex economic and financial problems in various settings.

To considerable scope for studies beyond business to broaden the overall educational experience.

PROGRAMME DURATION Full Time: 36 Months. | Part Time: 54 Months
