

## Faculty of SOCIAL SCIENCE, ARTS & HUMANITIES

The main goal of the Faculty of Social Science, Arts & Humanities of Lincoln University College, Malaysia is to prepare graduates for local and international careers. It is important for our team that research conducted, and social inventions created in the Faculty would contribute to the well-being of our nation and the world, because we are concerned about the future. We are concerned not only for ourselves but also for sustainable environment – for our country, community, for the world. We take part in public discussions and debates; we introduce to the society our evidence-based scientific comprehensions which are relevant to issues in public discussion. Our Faculty of Social Science, Arts & Humanities offers majors, concentrations and minors for a varied range of students.

*"What makes Lincoln University College different is the unique academic experience. After my high school I was hoping to continue my education in a place exactly like this. Now I have everything I need and ever wished for to become the person I have always wanted to be. For that, I can only thank Lincoln University College"*
