

PROGRAMME DESCRIPTION

Management is about resolving problems competently as well as successfully and also includes the challenges of transforming a situation into an opportunity in a competitive, unpredictable atmosphere in this period of development and growth. Diploma in Business administration helps the students to acquire skills required to combat the difficulties and seize the opportunities in this era of globalization. The course adds value to existing degrees and hence makes the competition for jobs easy for the students.

PROGRAMME AIM

This programme is aimed at those, who wish to equip themselves with comprehensive management knowledge for a rapidly changing business environment. It offers a unique opportunity for students to enhance their understanding of the “whole enterprise” in its competitive situation. Course instructors will include practitioners from the industry and experts of this field.

PROGRAMME DURATION

 2 Years 6 Months

CAREER OPPORTUNITIES

Employment opportunities exist in many sectors such as government organizations, non-profit organizations, small business, investment, real estate, banking, retailing and the hospitality industry. Students can also work as junior managers, or management trainees or supervisors and there are other options as well.
