# Bachelor of Electrical and Electronics Engineering Technology with Honours

(R/523/6/0179) (02/26) (MQA/FA 2685)

#### PROGRAMME DESCRIPTION

The program, Bachelor of Electrical and Electronics Engineering Technology with Honours provides the students with the required skills and knowledge and is aptly suited for those individuals, who are willing to pursue a career in the engineering field or engineering sector. It also offers the students the opportunity to acquire an understanding of the fundamental knowledge in Electrical and Electronics as well as its diverse areas of study.

#### PROGRAMME AIM

PROGRAMME DURATION

We aim to help the students to enhance their skills necessary for analyzing, managing and resolving problems related to Engineering Technology in the field of Electrical and Electronics. We also focus on the development of analytical and critical thinking skills of the students, so that they are able to prove their competency in their professional field of work.

> Full Time : 48 Months Part Time : 72 Months

1.January, 2.July, 3.October

- Passed Sijil Tinggi Pelajaran Malaysia or equivalent with a minimum of a full pass or grade C in mathematics s and one science-related subjects and pass in Sijil Pelajaran Malaysia or equivalent with at least a pass in English; or
- Passed Diploma in Engineering / Technology Engineering in relevant areas of the PPT recognized by the government of Malaysia or equivalent with minimum CGPA 2.0.
- For international students, test the English as a Foreign Language (TOEFL) score of 500 OR International Bahasa Inggeris Language Testing System (IELTS) score of 5.0 or equivalent is required. If the student does not meet this requirement, the PPT must offer proficiency courses in English to ensure student mastery is sufficient to meet the program requirements. This is usually done through the evaluation process."For international students, test the English as a Foreign Language (TOEFL) score of 500 OR International Bahasa Inggeris Language (TOEFL) score of 500 OR International Bahasa Inggeris Language Testing System (IELTS) score of 5.0 or equivalent is required. If the student does not meet this requirement, the PPT must offer proficiency courses in English to ensure student mastery is sufficient to meet the program requirements. This is usually done through the evaluation process.

#### LIST OF COURSE/MODULE OFFERED IN THE PROGRAMME

| S.NO | Subject  |
|------|--|
| 1    | Engineering Mathematics 1  |
| 2    | Thermodynamics   |
| 3    | Engineering Drawing  |
| 4    | English  |
| 5    | Philosophy and Current issues course (Local Students)<br>Malay Language Communication 2 (International Students) |
